800 Filing an ICI Claim

The employer instructs the disabled employee to initiate a claim by calling the third party administrator (refer to subchapter 104 for contact information) or submitting a paper claim. Filing claims by telephone is recommended as it reduces paperwork and eliminates delays associated with mailing claim forms to ETF.

A. Filing Claims by Phone:

- The third party administrator's customer service representative collects basic information from the claimant including name, Social Security number, date of birth and current mailing address.
- The claimant provides related information to the third party administrator such as the nature of the disability, last day worked, contact information for their attending and/or treating physician and any additional work-related information.

B. Filing Paper Claims:

- The employer provides the claimant the *Income Continuation Insurance Claim Form* (ET-5352). (Refer to subchapter 805 for a sample document.)
- The claimant submits the paper claim to ETF.

A claim can be filed up to thirty (30) days prior to the employee's last day at work. No benefits are payable more than 90 days retroactively from the date the claim is received by the third party administrator, or ETF if a paper claim is filed. Claims received more

than 12 months from the first date of disability (as determined by the third party administrator) will be denied.

Upon receipt of the claim, the third party administrator mails the claimant the following:

- Introductory letter explains how the program works and what to expect while the claim is pending.
- Medical release forms that the claimant must sign and immediately return one to the third party administrator and to the claimant's attending and/or treating physician.

NOTE: The attending and/or treating physician, clinic and medical records departments will not release confidential medical information to the claim administrator without the claimant's consent. Until that release is given, the claim cannot be processed. The claimant is responsible for any costs associated with obtaining medical records and exams.

Letter to be given to claimant's physician.

801 Employer Information Required by the Third Party Administrator

The third party administrator sends an *Income Continuation Insurance (ICI) Employer Statement* (ET-5351) to the employer via e-mail if an e-mail address is available. (Refer to subchapter 806 for a sample document.) The form is mailed if the employer does not have an e-mail address on file. The claimant's name, Social Security number, employer seven-digit EIN (starting with the 69-036-) and employer name will be pre-filled on the form by the third party administrator. The employer statement requires the employer to complete the following information:

- a. <u>Employee's occupation (Job Title)</u> also indicate employment type (e.g., permanent). If seasonal, academic, LTE or Project, indicate whether the employee worked less than 12 months in the prior calendar year.

Earnings include permanent add-on pay awarded to an employee who holds certain educational degrees, certifications, licenses or credentials, but will not include temporary additional pay such as night differential, weekend differential or income from any other sources;

OR

For State employees who did not work the entire previous calendar year (new employee) or resumed covered service after an interruption extending 3 consecutive months or more, report the State earnings from the calendar year rounded to the next higher thousand and divided by twelve (12).

The completed form and a copy of the employee's current position description should be returned to ETF, P. O. Box 7931, Madison WI 53707-7931 or fax to (608) 267-0633.

802 Third Party Administrator Claim Review

The third party administrator reviews ICI disability claims in the following manner:

- A registered nurse, hired by the third party administrator, calls the attending and/or treating physician to obtain clinical information concerning the claimant's disability.
- The nurse may call the physician to arrange a return to work plan for the claimant.
 The plan may include modified hours or restricted duties. The third party administrator contacts the employer to determine whether job modifications can be

made. The claimant receives written correspondence from the third party administrator regarding any determinations.

- The third party administrator contacts the physician for ongoing review of the disability claim to obtain updates on symptoms, diagnosis, treatment and the return to work plan.
- Prior to the claimant's return to work date, the third party administrator may call to confirm the claimant's return to work plans if, at the last medical update, the physician did not indicate the possibility of an extension of the individual's claim.

803 Approval, Denial or Termination Notice

The third party administrator notifies the employer of the claim's approval or denial via email or U.S. mail. The notice indicates whether ICI premiums will be waived or if the individual will be required to continue paying the premium.

The third party administrator will also notify the employer when the claim is terminated. The termination notice provides the date that ICI premiums resume

The claimant has the right to request, in writing, reconsideration of the third party administrator's approval, denial, termination or other benefit determination. The third party administrator must receive the written request and any additional information no later than ninety (90) days after the date of the initial benefit determination letter. The request for reconsideration must indicate the issues with which the claimant disagrees and provide any additional information they would like considered as part of the review. The third party administrator is required to respond to the employee's request for reconsideration within ninety (90) days of the claimant's request for reconsideration or the receipt of the additional information, whichever is later.

Following receipt of the claim administrator's reconsideration decision, the employee has the right to submit a written request to ETF for a Departmental Determination of the decision. The written request must be received by ETF no later than ninety (90) days from the date of the third party administrator's reconsideration decision letter. The employee can provide any additional information they would like included in ETF's review. ETF reviews all requests in the order received. Any additional medical information not previously provided to the third party administrator will be forwarded to the third party administrator's medical staff for review.

In the event the employee remains dissatisfied following ETF's determination, they have the right to submit a written request for an appeal of ETF's determination before the Group Insurance Board (GIB). The request for appeal to the GIB must be received by ETF's Appeals Coordinator no later than ninety (90) days of the date of ETF's Departmental Determination letter.

804 Waiver of Premium

ICI premiums are waived effective the first of the month on or after the date ICI benefits begin. The premium waiver remains in effect through the end of the month in which ICI

benefits are terminated. Do not assume premiums are waived until notified by the third party administrator of the ICI claim approval.

«CLCity» «ClaimState» «CLZip»

Re: [State or Local] Income Continuation Insurance (ICI) Plan

EIN: [STATE ER]

Social Security # «SSN»

Dear «ClaimantsFirstName» «ClaimantsLastName»:

Your claim for ICI benefits has been approved based on the following:

Disability Begin Date:	«CLDisabilityDate»
[Elimination Period or Sick Leave] is completed:	DATE
Benefit Begin Date:	«CLBenefitBeginDate»
Premium Waiver Effective Date:	DATE
Date of First Check: MAILED 2 DAYS PRIOR	[JAN-MAY] [JUN-DEC]
Period of Time Covered by First Check:	DATE
Amount of First Check:	\$AMOUNT

Your standard benefit is PERCENTAGE taxable. You [Will/Will Not] receive a W-2. The payable portion of your benefit based on your supplemental coverage is non-taxable.

The ICI plan provides 75% of your gross basic earnings, as defined in the ICI plan up to a maximum of \$4000 per month for standard coverage and up to a total of \$7500 per month if you have supplemental coverage. The amount of your benefit and first check were computed as indicated at the end of this letter. ICI monthly benefit amounts are based on a thirty (30) day month regardless of the number of days in the month. **We suggest you save this letter for future reference.**

Your ICI benefit checks will be issued the first of each month for the previous month. For example, the benefit for February will be issued March 1st. You will need to allow the U.S. Post Office time to deliver your paper checks. A stop payment on a paper check cannot be issued until 12 days after the date of the check.

Please note: ICI benefits are reduced by the **gross** amount of any disability, retirement, separation, or other income replacement benefits that are paid or payable from the Wisconsin Retirement System, Social Security Administration or Employer sponsored sources. You must apply for and complete the application process for all benefits that you may be eligible to receive. ICI benefits will be reduced by the largest benefit you could receive from another source, even though you fail to apply, fail to complete the application process, or choose an option that pays a reduced benefit. Other benefit sources, as indicated in § 2.15 of the ICI plan, include, but are not limited to:

- Worker's Compensation
- Unemployment Compensation
- Earnings from any employer or self employment
- Social Security (regular retirement, disability or Supplemental Security Income (SSI), including benefits paid or payable to spouse and/or dependants
- Wisconsin Retirement System (WRS) (retirement, disability retirement, separation or lump sum retirement and/or duty disability)
- Long-term Disability Insurance (LTDI)

Any benefits you receive after your benefit begin date or which you may receive in the future will reduce your ICI benefits. For example, if you received a retroactive benefit from the Social Security Administration, which covers the same time period for which you have already received ICI benefits, your current ICI benefits will be reduced (offset) by the Social Security benefit and the previously paid ICI benefits would be overpaid. **Per the signed repayment agreement, you are required** to repay to the ICI program these duplicated benefits.

Please contact Broadspire immediately if you:

- Return or are released by your physician to return to full or part-time work (previous or any other employer, including self-employment)
- Apply for or received benefits from any other source
- Must extend the expected duration of your disability
- Are no longer disabled

Pursuant to § 2.21 (5) of the ICI plan, you have the right to request reconsideration of this benefit determination by Broadspire. Your written request must be received by Broadspire no later than 90 days after the date of this letter. Additional information you believe is relevant to your request for reconsideration must be received by Broadspire no later than 90 days after the date of this letter.

To request reconsideration, send a letter outlining the reason(s) you feel the benefit determination was in error to:
